Notice to Principal is Notice to Agent**

I, \_\_\_\_\_, one of the people (as seen in Virginia Constitution) Sui Juris, in this Court of Record, bring the following claims and facts, that you and your agents may provide due care; Please take notice that our Virginia State Constitution, which you have already sworn to, explains that the People have the right to regulate their internal government, and therefore, when the people may need, there is a guaranteed right to reform, alter or abolish government.

It is my will to give notice of the true law set forth by the people (see constitutional provision below): People the Source of Power Article 1, Section 2 That all power is vested in, and consequently derived from, the people, that magistrates are their trustees and servants, and at all times amenable to them.

Furthermore, the Virginia Constitution states for regulation of the Government. Government Instituted for Common Benefit Article 1, Section 3, that government is, or ought to be, instituted for the common benefit, protection, and security of the people, nation, or community; of all the various modes and forms of government, that is best which is capable of producing the greatest degree of happiness and safety, and is most effectually secured against the danger of maladministration; and, whenever any government shall be found inadequate or contrary to these purposes, a majority of the community hath an indubitable, unalienable, and indefeasible right to reform, alter, or abolish it, in such manner as shall be judged most conducive to the public weal.

Remedy shall be had by giving the people a full forensic audit of the 2020 election for the State of Virginia. The full forensic audit shall be completed by Cyber Ninjas or Jovan Pulitzer, or the choice of the people which shall include every in-person physical ballot, mail in ballot, absentee ballot, any machine used for voting, all associated software necessary to carry out an independent audit.

These must also be protected and secured in a secure location of the auditor's choice. Please take further notice that when government is functioning in a way that goes against the People's will and authority, the People are to correct their behavior and lead them in ways consistent with the constitution and that redress grievances.
